development. Basic technical skills,  
physical readiness, and understanding of  
game situations require significant  
improvement. Needs more focus on  
fundamentals, discipline, and confidence  
in match situations.

Recommendation:

The player is recommended to continue  
development in the U16 Fohlen Team for  
the next semester. Focus will be placed  
on strengthening fundamental skills,  
physical development, and  
understanding of basic game principles  
to support long-term growth.
