Coach's Comments:

Albert shows some basic understanding  
of the game but lacks consistency in  
overall performance. Technical execution  
and physical endurance need  
improvement, especially under match  
pressure. Requires regular training and  
better focus.

Recommendation:

The player is recommended to continue  
development in the U16 Fohlen Team for  
the next semester. Focus will be placed  
on strengthening fundamental skills,  
physical development, and  
understanding of basic game principles  
to support long-term growth.
