Coach's Comments:

Brilian shows some basic understanding
of the game but lacks consistency in
overall performance. Technical execution
and physical endurance need
improvement, especially under match
pressure. Requires regular training and
better focus.

Recommendation:

The player is recommended to continue
development in the U10 Fohlen Team for
the next semester. Focus will be placed
on strengthening fundamental skills,
physical development, and
understanding of basic game principles
to support long-term growth.
